

# BELNUC ACTIVITIES

## Technologists

Activity Number	Title	Date	FANC-AFCN People working in the field of nuclear medicine
18000537	Implementation of the European "Basic Safety Standards" directive: Current status, clinical and economical implications Leuven	13.01.18	
18000540	Lymphedema and Lymphoscintigraphy	27.01.18	
18002917	General assembly nuclear cardiology 2018	10.03.18	
18013242	Nuclear medicine in inflammatory & musculoskeletal disorders	29.09.18	2h30
18024591	BELNUC Seminar: Radiopharmacy & radiophysics	01.12.18	-
18018594	BELNUC seminar: Nuclear medicine in neurology	09.02.19	2h
19035658	Update on nuclear medicine in cardiology: A joint BELNUC - Belgian working group on non-invasive cardiac Imaging (BWGNICI) symposium	23.03.19	3h
	Precongres Belnuc Congres 10-05-19	10.05.19	1h30
19041277	19th Edition of the symposium of the Belgian society of nuclear medicine (BELNUC) (Opportunities for patient care: Developments in total body PET/CT systems)	11.05.19	4h30
19039852	19th Edition of the symposium of the Belgian society of nuclear medicine (BELNUC) (Day 1)	11.05.19	
19041280	19th Edition of the symposium of the Belgian society of nuclear medicine (BELNUC) (Recent novel aspects of thyroid diseases management + Taking advantage of imaging modalities and data)	12.05.19	
19039857	19th Edition of the symposium of the Belgian society of nuclear medicine (BELNUC) (Day 2)	12.05.19	
19046726	Update on technological advances and clinical utility of bone SPECT/CT imaging	21.09.19	-
19048023	How volume measurements are changing our daily practice?	09.11.19
