

# ULB-NET DEBATES in NET Management

Friday 22 October 2021

Dear Colleagues,

After the successful creation of the **ULB NET Center**, we are very pleased to invite you to our 1-day virtual masterclass in an interactive setting, where debates will tackle controversial topics.

Experts from our multidisciplinary NeuroEndocrine Tumor (NET) team, together with invited international experts, will cover the latest updates on **surgical management, systemic therapies and theranostic tools in NET**. Experienced clinicians will defend their point of view in front of challenging opposers.

**Come and join us in this interactive debate**

**REGISTER HERE**

Accreditation was applied for

An IPSEN organized event in collaboration with the Steering Committee of the ULB NET Center.
